A few meters from the center of Begur we have this unique house of great antiquity.

The house is divided into three levels:

On the lower level we have a large entrance hall, living-dining room with fireplace and access to a small courtyard overlooking the Castel and the town, bathroom and kitchen.

Through stairs, retaining the character before, where we have access to the second level bedroom area and a bathroom.

On the top floor is the roof terrace with panoramic views of Begur and bottom Pyrenees. We also have a small laundry area, very practical.

Observations: walk distance from the town center and all services: restaurants, shops, doctors, police, city hall...

Potencial for reform.

Begur is a jewel of the Costa Brava. It has an extensive historical-cultural heritage, from the remains of the fortress located in the highest part of the city dating from the eleventh century to the last Indian houses built in the nineteenth century. Also, Begur has a coastline full of coves and beaches of fine sand or small nooks: Aiguablava, Fornells, Fonda, Sa Tuna, Aiguafreda, Sa Riera and Illa Roja... All of them surrounded by cliffs and forests that offer unparalleled charm.

We offer our national and international buyers a unique selection of luxury properties, modern houses, exclusive villas and extraordinary apartments for sale in this beautiful town in the central part of the Costa Brava.
