Just 50m from the Gala/Dali Castle

Pubol is a village in the Dali triangle, the artist's third residence, Cadaques, Figueres and Pubol. It is a few km's from Girona, 20 minutes from the airport and 30 minutes from the beaches of the Costa Brava.

The house is very spacious, and was renovated in 2010 when it became one of the top ten romantic hotels in Spain. This hotel has been award-winning 4 consecutive years since it opened. It consists of four independent suites, two of them on the ground floor and the other two on the first floor. It has a beautiful garden with old trees and a private pool.

The private house consists of an en suite bedroom with a dressing area, a little terrace, a kitchen, living area, and an office.

Observations: oil central heating, large library, there is not a garage but it is possible to park easily close to the house, air conditioning in various rooms, 3 fire places, barbeque, and a dining room with an independent fire place in the garden area.
